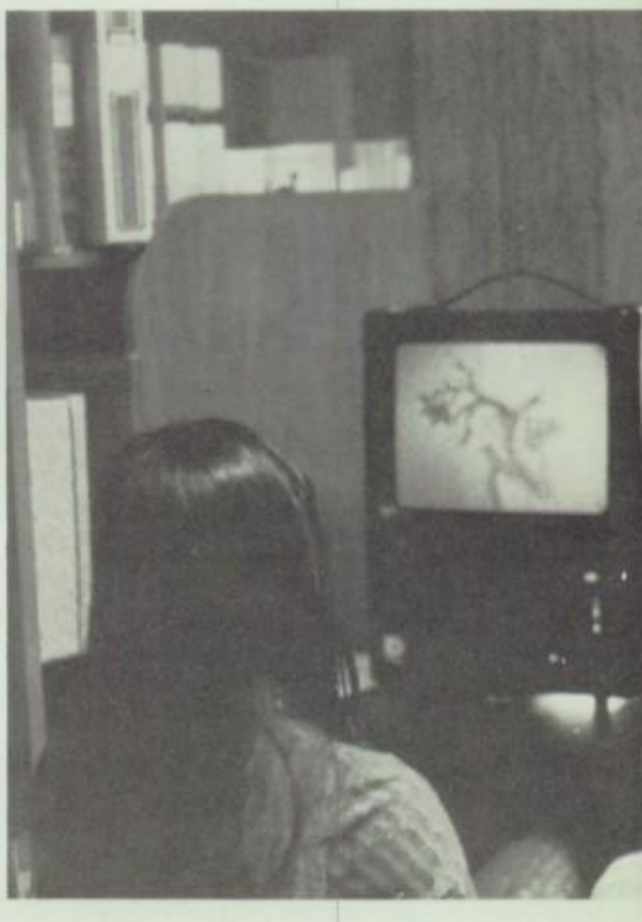
VOYAGER 1980
ST. BERNARD HIGH SCHOOL
PLAYA DEL REY, CALIFORNIA

Each student at St. Bernard's participates in his own special "voyage," the journey through his four years...

There are many stops along his itinerary...

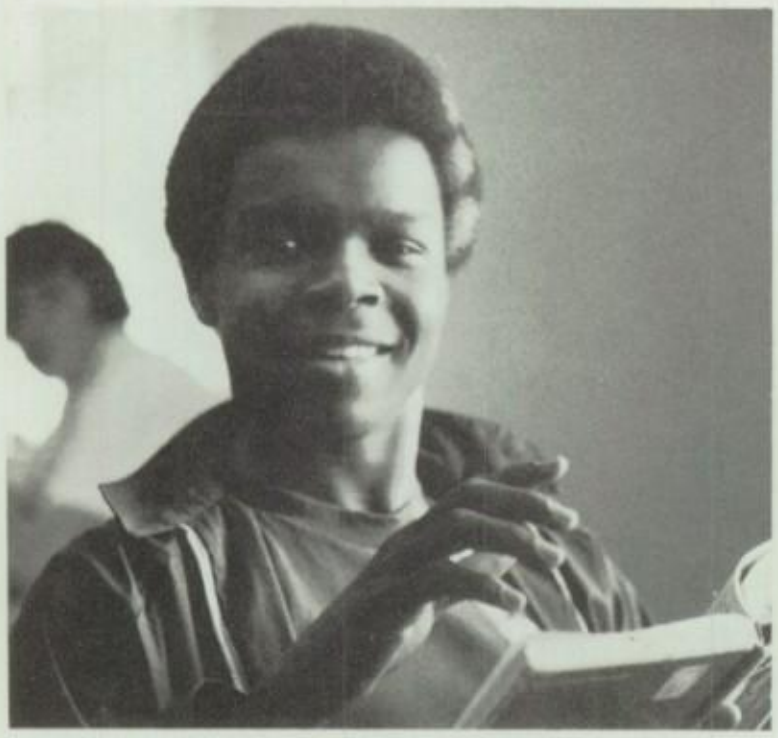
...the spiritual



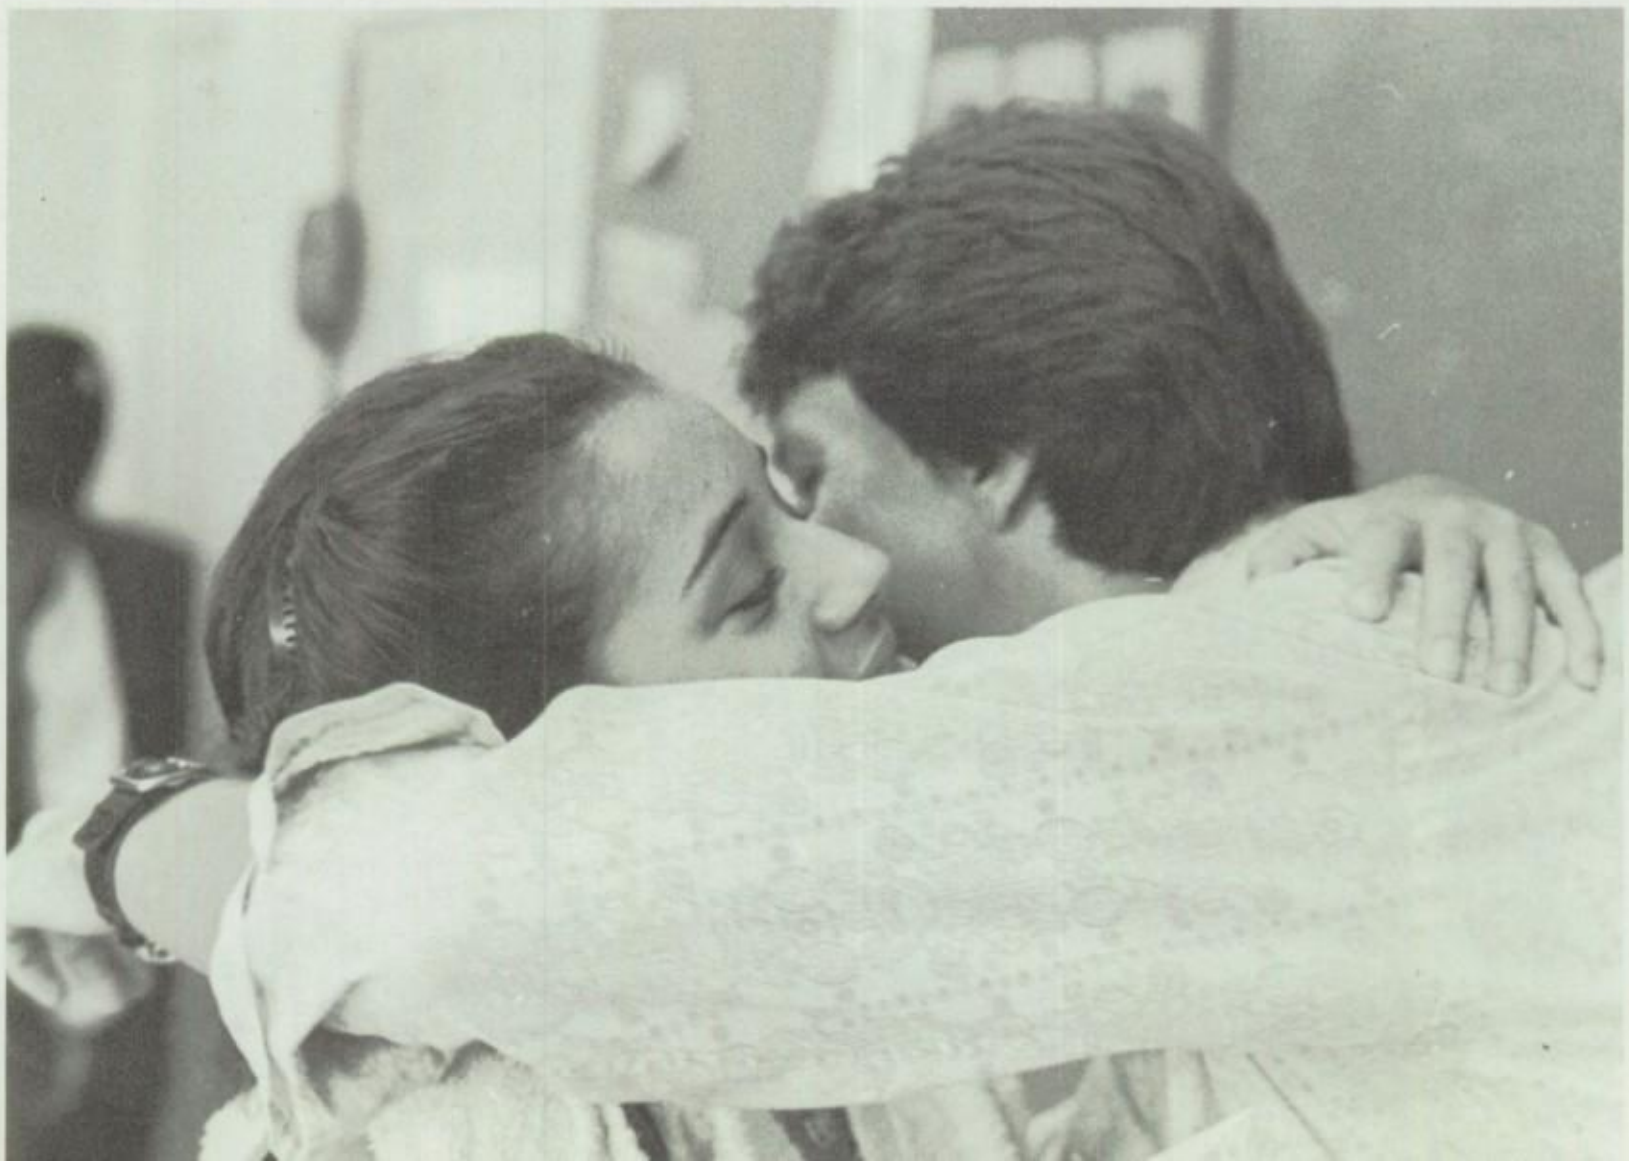
...the academic

...the social

...the athletic

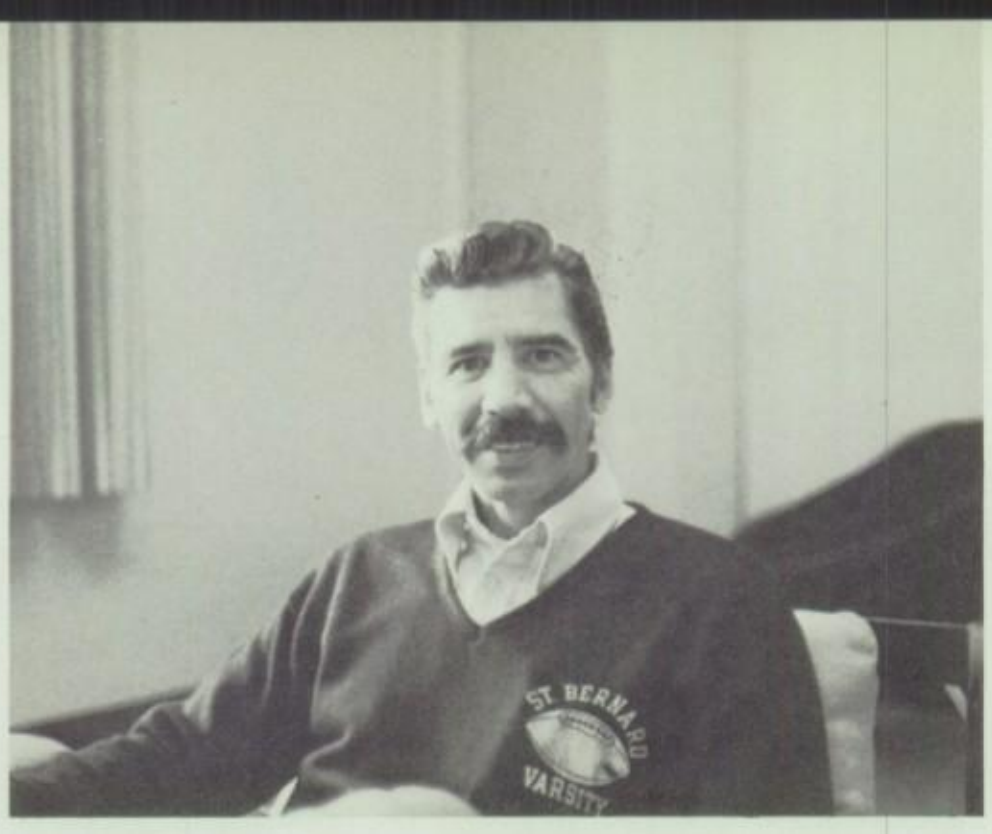


As he nears the end of his own voyage, each student fondly recalls those who have touched his life during this brief journey...

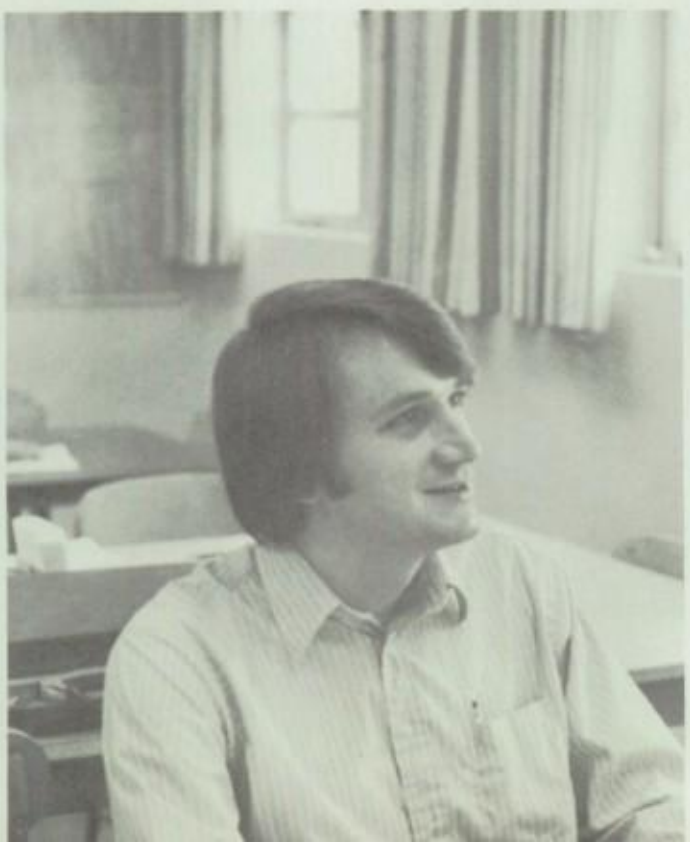


...his classmates

. . .his teammates



. . . his ship's incomparable crew . . .



Students are at different ports along the way . . .

Frosh just starting...

Seniors nearly at their final destination...

For All, The VOYAGER Presents 1980

Vikings Honor Three

Each year the VOYAGER is dedicated to someone who has affected the lives of Viking students in some meaningful way. This year we dedicate the yearbook to three whose efforts on behalf of all SBHS students are well-known. They have given us the gifts of their time, their knowledge, but, most important, their loving concern.

We dedicate the 1980 VOYAGER to you, Mr. Benny Lefebvre, Mrs. Virginia Lefebvre, and Mr. Ken Brokamp.

To Jacquelyn
A very nice person with a crazy and wild personality. But you're still a good friend. Let's have fun going to school with you and sharing laughs. I hope your graduation was a time to remember if not remember me that Jazz kid 733-1739

THE WINNING SEASON

The 1979 Viking football season was a successful one for me and, I hope, for the majority of our football players. To many, this seems like an odd statement since our team won only two games. However, the character and pride our players demonstrated throughout the most difficult schedule in St. Bernard's history proved to me that these players were and, indeed, always will be "winners".

It's time to move into a world where there is no dress code, no detention. Each of us has had our own experiences and it would be hard to capture the many variations in so few words and pictures as an annual has. I'll remember each of you and my wish is this: "May the best day you have had be the worst to come."

Bill Ruane, Senior President

Watch for the surprises. Expectations, though required by a practical world, are often unrealized and, even if fulfilled, usually less wonderful than the unplanned.

But the surprises... They furnish the magic, the delight, the gifts. Expect them!

Sylvia Rousseve

When we were freshmen, we chose a motto, "Strive for the future and remember the past." We, as a class, have carried this motto through four years of growing and experiencing. As we leave St. Bernards and choose different paths, we will always be united as one if we remember our motto.

Thanks for a great four years.

Liz Smith, Senior Vice-president

Thanks to all involved Seniors for making this year a super-successful one, both financially and socially. I've enjoyed every minute of my office, but I've enjoyed every second of my Senior year with you much more.

Valerie Fleishman, Senior Treasurer

The most fulfilling aspect of the teaching profession is it presents to both instruct and learn from the young people with whom one works.

In serving as class moderator, I have the chance to know many of you in a context beyond the confines of Room 301 and U.S. Government/Law.

The class of 1980 is an impressive group of young men and women—determined to make a contribution to St. Bernard High School and the community.

I wish each of you the happiness and sense of fulfillment which will come from utilizing your individual talents to the fullest.

Ron Harris

I am very happy to say I am a part of the Class of 1980. Thanks for making my four years here full of fun and happiness. I have enjoyed my office as class secretary. It hasn't always been easy but the fun I have experienced made up for the hard times. Good luck in the future and have a happy life.

Debbie Wilson, Senior Secretary

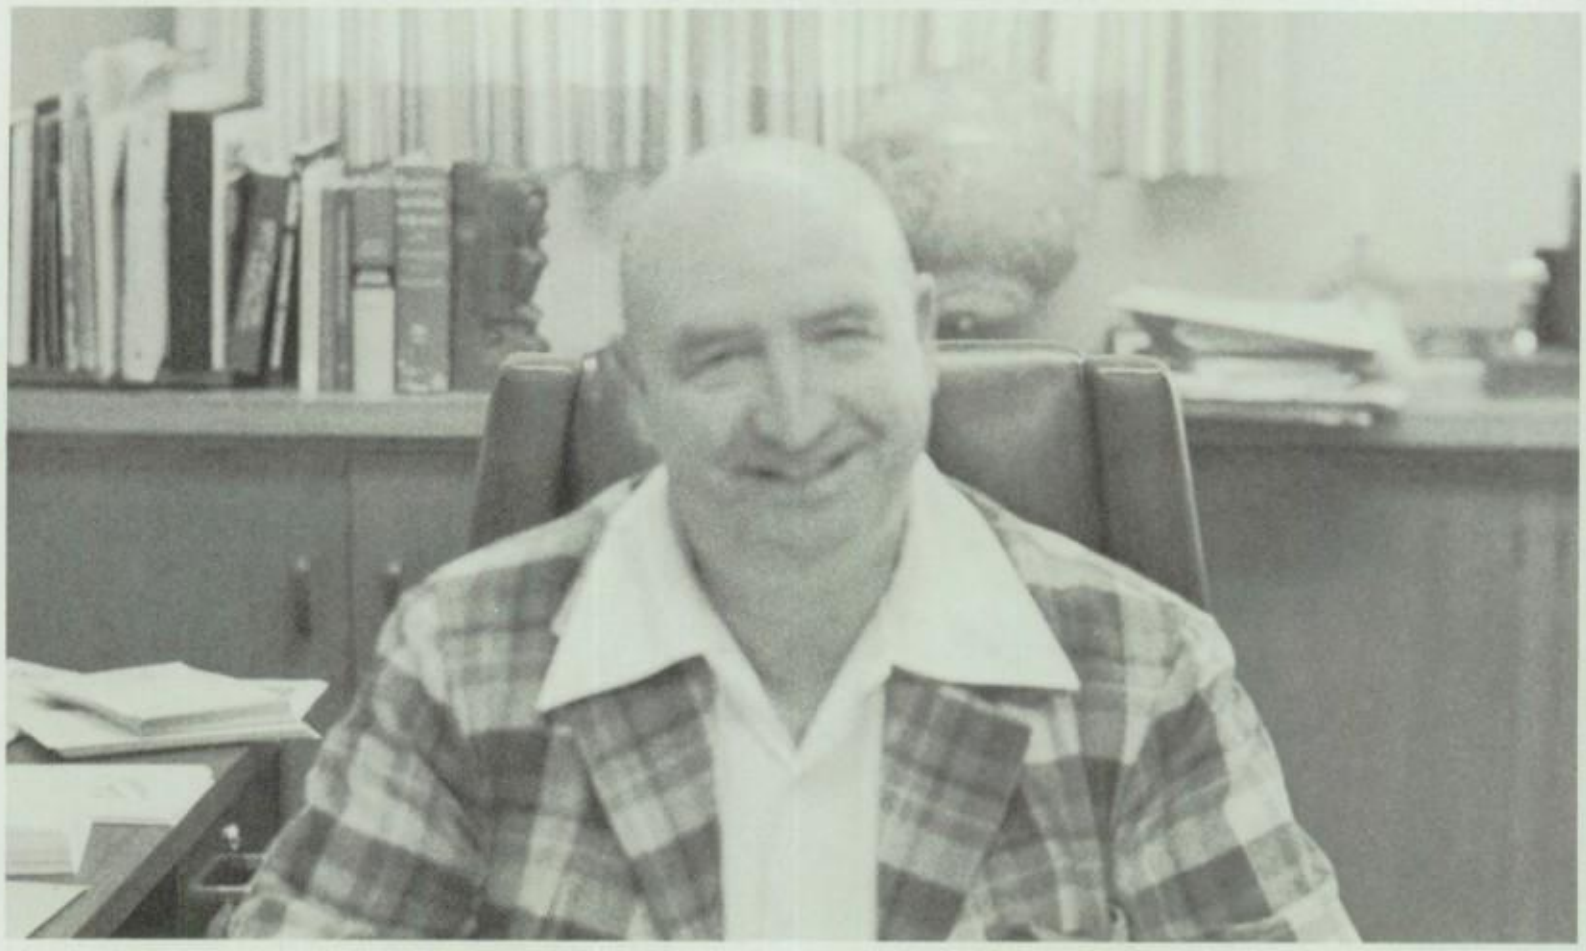
ADMINISTRATION



Colonel John P.M. Hughes

Being principal of a high school involves many responsibilities. The principal is the school's instructional leader, its fund raiser, and its moral leader. Colonel Hughes has taken each of these roles most seriously, and performed each task with dedication and devotion. Furthermore, he has served as moderator and "willing ear" for the ASB officers; he represents St. Bernard and its needs in many kinds of meetings, and he teaches an upper division class in economics.

He performs each of these tasks in a style that brings home his devotion to Christian principles. They are always his motivation.

Among his noteworthy achievements this school year has been the creation of a code of ethics for Catholic high school athletics. He has insisted the Vikings embody the letter and spirit of this code and expressed his pride in the way our students supported the code.

Colonel, we are grateful for your concern.

Community Service Vitalizes Religion

Community Service is a class open to juniors and seniors which fulfills one semester of the religious studies requirement. Students who take it find the class a fulfilling experience which makes the discussions and lectures of other religious studies courses come alive.

The Playa Del Rey Convalescent home is the place at which many students in this class render service. Among the activities students aid in are feeding the patients, playing cards with them as part of the patients' recreation, and accompanying patients on outings.

With Melody Van Ness' (Jean) dancing and Tim Roderick's (Charlie) singing, "Brigadoon" was most successful.

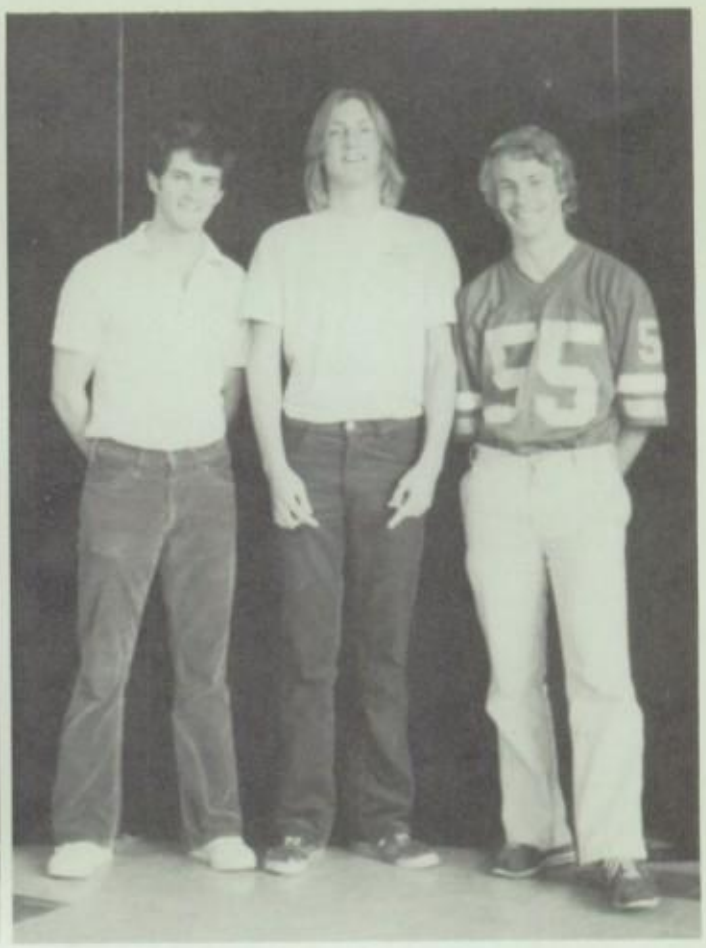
The citizens of Brigadoon are very interested in the town flirt, Meg, portrayed by Sharon Bangasser.

Fiona (Kathy Kirsch) seems very pleased playing opposite Tommy (Mike Goodreau) in the leads in "Brigadoon".

1980 Musical Theater "Brigadoon"

Mark Carillo, Richard Freeman, Harold Burton and Greg Hirscher filled key roles in Brigadoon as Angus, Mr. Beaton, Mr. MacLaren, and Mr. Lundy respectively.

Tina Roque, Tara Mackey and Saron Bangasser contributed mightily to the successful production of "Brigadoon."



With Brian Huben (Jeff), Mark Reynolds (Harry) and Greg Hirscher (Mr. Lundy) filling the male leads, how could we ever go wrong?

Students enrolled in the Musical Theater class learn every aspect of producing a first class musical. Participants in this year's class learned Scottish dancing, set building, stage decoration, among their many tasks. Putting together such a production involves each student in many hours outside the four he puts in during the school week.

Leads have to work on sets too! Kathy Kirsch helps prepare a stage flat.

Melody Van Ness gets her fancy footwork ready for the show as Beth Bangasser looks on.

Cast members from "Brigadoon" smile for *Voyager* photographer.

Choreographer Peggy Heimueller looks pleased with the progress of "Brigadoon" dancing numbers.

Ready? Stephanie Moore, Beth Bangasser, Danette Gagnier, Philip Mortenson, Harold Burton, Mark LaRouche, and Mike Goodreau sure are.
